- Rica Filimon, Captain of the Rumanian MS FMEDERICH ENGELS, will be replaced by Ovidiu Cermatescu, formerly master of SS ARDEAL.
- 2. Filimon is reportedly not considered by the Rumanian authorities to be a trustworthy Communist. During the last voyage Filimon's ship lost two days in transitting the Bosphorus. The reason for this lost time is not known. Filimon has recently had difficulties with his chief and second mates, who have refused to sail with him again.
